Requested Grant Amount Back Next

The 2020 COVID-19 Mississippi Business Assistance Act provides for a base grant of \$1,500.00 for eligible businesses and a maximum grant amount of \$25,000.00. No calculation needs to be provided for the base amount. However, if the Applicant wishes to seek additional grant funding beyond the \$1,500.00 base amount, the law provides for two processes for calculating the additional grant funding.

NOTE: The 2020 COVID-19 Mississippi Business Assistance Act requires the total grant payment to be reduced by the amount of any Paycheck Protection Program funds, Economic Injury Disaster Loan Emergency Advance (up to \$10,000.00), and business interruption insurance proceeds received; however, the total payment will not be reduced by more than half under this provision. If the payment received through another program is for the same Eligible Expenses claimed in the Application, federal law may require the grant to be reduced beyond the one-half reduction established in the Act.

Please select the calculation method for which you are applying:

- Base amount of \$1,500 - if you select this option you are applying for a base amount of \$1,500.
- Itemization of eligible expenses - if you select this option you are applying for a base amount of \$1,500 + itemized expenses must be submitted.
- Employee-based calculation - if you select this option you are applying for a base amount of \$1,500 + \$500 per eligible employee, certified payroll must be submitted to verify employee(s).

**Tax Documents

A tax return filed for the Eligible Business for 2018 and/or 2019. If the Eligible Business formed on or after January 1, 2020, a return will not be required. Those entities that do not file tax returns in the name of the Eligible Business (e.g. single member LLCs, sole proprietorships and certain partnerships) will submit the Schedule C to the appropriate individual tax return.

**Certified Payroll

Means a payroll report for the Eligible Business for the week of March 1, 2020, demonstrating number of employees and average hours worked per employee. Employee names may be represented by last name, unique identifier number (such as the last four (4) numbers of the employee's social security number) and the average number of hours worked by the employee per week. The Eligible Business may use an average of full time equivalent employees so long as it submits Certified Payrolls for the consecutive number of weeks (not to exceed 26 weeks) before March 1, 2020 over which the Eligible Business has chosen to average hours worked by employees. Certified Payrolls shall not include more than the last four (4) numbers of employees' Social Security numbers, employees' home addresses or other personally identifiable information.
